HOT OFF THE PRESS

MESSAGE FROM WTTC PRESIDENT

Dear Members,

Congratulations to those of you who are back in school this semester. Going to classes, doing homework, doing your job, taking care of your home and family is no easy task. But, it is so worth the effort! I hope that everyone enjoyed our September meeting. I think that Gloria and Lorraine did such a nice job for us. It really set the stage for what we want to accomplish this year. Being prepared for any future opportunities and having the knowledge and contacts we need to make our jobs a little easier. Thank you Peggy for chairing this meeting.

Keeping in that same frame of mind, we are now venturing onto a discussion of each mode of transportation that we work with. You will find details in this issue of "TIPS" for our October meeting. Our topic this month is ocean transportation. Our speaker, Karen Jahn of Evergreen is very knowledgeable. Hope you will be able to attend. Thank you Linda for chairing this meeting.

This month we are also doing two charity walks, the first one is the "Race for the Cure." Details are enclosed and we hope you can support this event in honor of our several members who are waging the battle against breast cancer.

The other walk that will be arranged shortly is for Alzheimer's. This will take place on Saturday, October 31. More details to follow. Many thanks go to Diane who has taken the lead in organizing our team for this.

Our next Board Meeting will be on Wednesday, October 7. If you are not a regular board member, but would like to attend and get more involved, please let me know. Your assistance and ideas are most welcome.

As you can see, there is a lot going on. Our club is strong and getting stronger. Thank you for being a part of it.

Warm Regards,
Mary Jane Norris

Health Corner

These days, a wealth of nutrition information is at your finger tips. From diet books to newspaper articles, everyone seems to have an opinion about what you should be eating. It's no secret that good nutrition plays an essential role in maintaining health.

While you already know it is important to eat a healthy diet, you may find it more difficult to sort through all of the information about nutrition and food choices.

Here are some websites that make things simple:

FruitsandVeggiesMatter.gov

Check out the new Fruit & Veggies Matter Web site for tips, recipes, and more! You can find easy ways to add more fruits and vegetables into your daily eating patterns.

MyPyramid.gov

The new USDA food pyramid replaces "one size fits all" with a customizable eating plan. Explore the new pyramid to learn about the food groups and to find additional healthy eating tips.

TRIPS IN “TIPS”

Guess what's just around the corner? Oh no – Christmas!

HO...HO...HO

Our own Gloria Weber has been hard at work arranging two trips that will help us get into the spirit and maybe get some Christmas bargains. Here are the details of the Trips she has planned for us.

Saturday, November 21 – Maryland Christmas/Craft Show at Frederick Fairgrounds, Frederick, MD.

Over 500 vendors will be there.

The bus leaves Baltimore at 9 a.m. And the cost is just \$30.00 per person and is due by November 1st.

There are still seats available. Please call Gloria at 410-275-1025 or email her at: thewebers705@verizon.net ASAP to reserve your place.

And the ever popular Trip to New York City on **Saturday, December 19.**

The bus leaves Baltimore at 7 a.m. There is a coffee stop on the turnpike.

The first stop in New York City is Delancy Street for bargain shopping - for two hours.

Next stop: Canal Street – this divides Chinatown and Little Italy - for three hours

Final stop: Rockefeller Center – you can see beautiful St. Patrick's Cathedral, the ice skaters, Saks and the “big” tree for a three hour visit. The bus leaves New York at 7 p.m.

The cost is just \$50.00 per person. There are only 6 seats left. Money is due to Gloria by November 29.

Keep in mind that any profits that are made support our Scholarship Fund.

Call Gloria right away or email. Send your checks to 705 S. Ann Street, Baltimore, MD 21231

All work and no play – not a good thing!

The WTTC rallies around the support it receives from its members. Please tell co-workers or friends in the industry about our club. If you know someone who would like to join, please tell them they can visit the WTTC website at <http://www.womenstrafficclub.com/> and download an application.

Monthly Meetings –

Monthly Board Meeting

Our next Board Meeting will be on Wednesday, October 7, 6 p.m. in the office of John Steer Co., 6610 Tributary Street – Holabird Industrial Park. **The front doors are locked after 6 p.m.** If you are late in arriving, please call the office 410-633-3912 and someone will let you in.

Look forward to seeing everyone then. If you can't attend this meeting, please ask another board member to make your report.
